

JC 3 in the News

JC 3 Class A Recommended in the April *Stereophile*.

The average price of Class A phono preamps is \$7,114. *The JC 3 price is 67% below the average.*

Its write-up is also twice as long as any other Class A phono preamp. A few highlights:

“Construction quality is first-rate, top-shelf parts are used throughout, and the stout, heavy chassis is beautifully finished.”

“The JC 3 combined superb musical grip and control with a timbrally and texturally ideal midrange.”

“The JC 3 represents the best current value in a phono preamp that I know of.” (*Michael Fremer*)

“If your tastes run to purity, clarity, neutrality, and detail, you’ll be hard-pressed to find a better phono stage

“JA noted superb measured performance.”
